*Please see information regarding cabin requests.**

***Cabin Requests** (Base Camp Campers only) Cabin assignments are made according to age and grade level to insure compatible levels of maturity. We recognize that there may be reasons for exceptions to this policy, such as maturity beyond, or not up to, a camper's chronological age. Where such is the case, parents should inform us prior to the time of enrollment so that a proper cabin assignment can be made. The directors reserve the right to make the final decisions on cabin assignments. We cannot guarantee placement in any particular cabin. Campers frequently want to be in the same cabin with a friend. We are glad to honor such requests when mutual, provided the campers are of the same grade and age and the assignment does not result in an excessive number of campers from the same city. Requests should be made on the camper application.

Camper Agreement: If I am accepted, I promise to conform to the rules and regulations of the Green River Preserve or face possible dismissal.

Parent Agreement

I understand that no deposit is required with this application, but that if my child is accepted, I will:

- Pay 25% of the tuition within two weeks of receiving notification of acceptance.
- Pay 25% of the tuition by February 1, 2010.
- Pay the tuition balance by April 1, 2010.
- After April 1st, pay full tuition upon acceptance.
- We accept personal checks, MasterCard, Visa and Discover.

Fees not covered by tuition:

- Camp store - we recommend a "credit line" of \$30 - \$50 per week (the larger amount if sweatshirts or camp chairs are to be purchased).
- Optional Base Camp backpack rental of \$10 for one week session and \$20 for two and three week sessions.

The deposit is applicable to the tuition and is, in the event of withdrawal, refundable, less a \$100 processing fee, if written notice is received by the camp office by **April 1, 2010**. No refunds will be made after April 1, 2010 for early withdrawal, session changes, late arrivals, or no-show campers, except in the event of documented physical illness of the camper, and that in such event, 50% of the unused portion of the tuition will be refunded.

This application is step 1 in our 2 step application process. **To complete the application process we must also receive a Teacher Recommendation Form** - the form is available online or we would be glad to mail you one (returning summer campers do not need to submit another recommendation). You will be notified when your application has been received, and again when we have reviewed your teacher recommendation. **We are a small camp with limited enrollment, so applications should be submitted as soon as possible to ensure space in our program.** Prior to camp a completed health form and physical exam form are required (the physical can be within 2 years of attendance). Parents **must also provide proof of health insurance coverage.**

Scholarships

Scholarships of up to 30% of the camp tuition are available based on financial need. Scholarship applications and a copy of your tax return must be enclosed with the application for admission to be considered for a scholarship. Please call or email if you need a scholarship application. Scholarships are awarded on a first come basis. Early application for scholarships is encouraged.

Release / Consent / Permission Statement

We, the undersigned parents (or guardians) of the camper named on the application (herein referred to as "the child"), acknowledge that we are aware of the types of activities in which the child will be participating during his or her attendance at The Green River Preserve (herein referred to as "GRP") during the 2010 season and that we have been given ample opportunity to ask any questions which we may have about the environment in which the child will live and the activities in which he or she will participate during his or her attendance at GRP. We are aware of the dangers which are inherent in the operation of any children's camp and in the child's participation in the activities at GRP. Specifically, but not by way of limitation, the undersigned consent to the child's participation in all camp activities on or off the premises of said camp including swimming, hiking, backpacking, canoeing, kayaking, athletics, arts and crafts, work and service projects, stream hiking, outdoor living skills, camping, archery, BB skeet, fly fishing, rock climbing, and vehicular travel.

We further acknowledge that we have given GRP full disclosure of any physical or mental conditions, challenges or problems which the child has. Because of the inherent potential dangers of participating in the activities of any children's camp, we recognize the importance of the child's obeying the instructions of camp employees and abiding by all camp rules and regulations. We have instructed the child to obey said employees and then abide by said rules and regulations, and we do hereby release GRP and its owners, officers, directors, board members, and all of the staff, counselors, and other employees of GRP from any liability which they might otherwise incur as a consequence of the failure of the child to obey said employees and abide by said rules and regulations and from any other liability which said camp and the other parties listed above might otherwise incur in incidents involving the child's negligence or contributory negligence.

If outside medical services (doctor visits, x-rays, lab tests, etc.) should be needed, we understand that we are financially responsible. We grant permission to: (1) Use photographs and video that include our child for camp advertising. (2) Use our name and phone number as a reference for prospective campers (please delete items 1 or 2 if not granted.)
